NOTIFICATION

Subject: Call for proposals for 7th Technology Release Committee (TRC)

The Technology Release Committee (TRC) is organized yearly by the Department of Agriculture in accordance with the Agriculture Research Strategy 2018-2028 for the review and approval of potential agriculture technologies for release. The 7th TRC is tentatively scheduled to be held in the second week of May.

In this regard, the Agriculture Research and Development Centres (ARDCs), Central Programs, institutions, and interested parties are advised to submit any potential technology proposals to be reviewed by the committee latest by **27th April 2026**.

All proposals submitted for review shall comply with the TRC Guidelines. Proposals that do not adhere to the prescribed requirements may be rejected.

Kindly submit the proposal as per the prescribed template to:

Mr. Sonam Pelzin Dorji
Agriculture Research and Innovation Division
Department of Agriculture
Email: (spdorji@moal.gov.bt)

For any clarifications, proponents may contact the above focal person.
